Summary

Marketplace operations professional with 6+ years in e-commerce and payments. Builds GMV plans, seller and partner standards, and dashboards, and turns analysis into rules that sellers and partners can follow.

Experience

Northwind Marketplace — Singapore
Senior Marketplace Operations Specialist — Mar 2022 – Present

- Built the annual GMV target model for 1,200+ sellers across 8 categories; management approved the targets.
- Designed seller onboarding standards and a quarterly scorecard used to review 40+ logistics partners.
- Wrote business requirements for a seller analytics dashboard and coordinated pilots with 3 seller segments.
- Reworked promotion eligibility rules, contributing to a double-digit increase in promoted-listing traffic.

Contoso Payments — Kuala Lumpur
Operations Analyst — Jul 2019 – Feb 2022

- Analyzed 2,000+ monthly support tickets and wrote SOPs for card activation issues; first-contact resolution rose 12%.

Skills

Operations: GMV planning, partner scorecards, SOP design, business requirements
Languages: English (native), Malay (professional), Mandarin (conversational)

Education

Example University, B.Sc. Business Analytics — 2019
